## **FOREWORD**

A Quality Assurance Cell with the financial assistance from National Assessment and Accreditation Council (NAAC), Bengaluru was established under the Directorate of Higher and Technical Education in November, 2003. The State Level Quality Assurance Co-ordination Committee headed by Hon'ble Minister(Education), was also constituted in the same year. Since then, the Cell and the Committee has been constantly monitoring the quality improvement in the institutions of Higher and Technical Education in the State. Indeed, this is a remarkable achievement that 6(six) Government colleges of the state have been assessed and accredited by NAAC till the current academic session. J N College, Pasighat has been assigned with B++ Grade, Dera Natung Government College, Itanagar and I G Govt. College, Tezu with B+ Grade and Government College, Bomdila and Donyi Polo Govt. College, Kamki with B Grade and the result of Rang-Frah Govt. College, Changlang is still awaited. As a part of the quality assurance activities, this Basic Information on Higher and Technical Educational Institutions of Higher and Technical Education in Arunachal Pradesh is brought out.

This Directorate, being the nodal Govt. Department of the state to nurture the Institutions of Higher and Technical Education, various organizations/ departments like MHRD, Govt. of India, New Delhi for publication of ES series and the Department of Economics and Statistics, Govt. of Arunachal Pradesh and many such other organizations and individual researchers seek relevant statistical data from time to time.

Keeping the above in view, this Directorate has started collecting statistical data from all the institutions of Higher Education of the state and compiling the same since last 5 to 6 years.

A sincere attempt has been made to make the data accurate and authentic and to improve the compilation. These data are based on the information furnished by the affiliating university and other competent authorities/ heads of institutions.

The results of Colleges and University Departments during the last University examination have been compiled with a view to keep track record of their performance. A comparative statement has been shown so that the Colleges/ University

departments may know where do they stand and endeavor to improve their position in the next academic session.

In this compilation we have also tried to indicate the enrolment of students, strength of the teaching staff/ faculty position of all institutions including the Rajiv Gandhi University. Attempt has also been made to represent these figures graphically in the current issue.

For compilation of this statistical booklet, I am indeed grateful to all heads of the institutions for furnishing the necessary information, enabling us to bring out the compilation this year too. I am also grateful to all my colleagues especially Dr. V N Sharma, SLO and Sri D.T. Dera, UDC who have worked tirelessly to bring out the compilation in time.
