

Brief Important Instructions to candidates.

1. Access the link in www.apdhte.nic.in
2. Log in with your details provided at the time of Registration.
3. Check the allotment of course and institution , if any.
4. If you want to accept the allotment, select FREEZE, pay the security deposit/seat acceptance fees, download the allotment letter and visit the concerned Directorate within the scheduled period alongwith all relevant documents in original and self attested photocopies.
5. Once the documents are found to be ok, you will be issued provisional admission letter. With this letter you have to proceed to the respective institution to complete the admission process within its scheduled admission period .
6. If you are not interested to accept the seat allotted, choose FLOAT option for participation in the 2nd round. In the 2nd round, if you are not allotted a seat of higher preference amongst your locked choices, the seat allotted in the 1st round shall be retained.
