Ports, Shipping & Waterways and AYUSH
Government of India

ST-14011/23/2023-MT

16th March, 2023

Respected Shri Pema Khandu Ji,

As you are aware the Maritime Sector is a vital sector of the economy with high growth potential. The key initiatives of this Ministry through Sagarmala programme and the Maritime India Vision, 2030 are intended to act as growth drivers and to create job opportunities for our youth in the near future.

2. The **Indian Maritime University**, a Central University under Ministry of Ports, Shipping and Waterways, was established by an Act of Parliament in 2008. This University is focused on imparting education in aspects related to Maritime Sector viz. Marine Engineering, Nautical Sciences, Naval Architecture, Ocean Engineering, Ship Building and Repair, Logistics Management, Port Management.

3. The Indian Maritime University has **reserved forty seats in its programs for the candidates from North Eastern States**. Pamphlets on education opportunities at the Indian Maritime University are enclosed with this letter.

4. I request that **this educational opportunity may be given wide publicity amongst all the schools, Colleges and Institutes in your State** for the youth to avail of this and contribute in the growth story of our maritime sector.

With regards,

(AOT)

Sub: Job and Education opportunities in Maritime Sector in India - Reg.

Dear Sir,

You are aware of the efforts taken by the Government of India to become a USD 3 trillion economy within the next few years. The Maritime Sector is an important sector with high growth potential. The key initiatives of the Ministry of Port, Shipping and Waterways viz., Sagarmala and MIV 2030 are intended to generate jobs for the Indian youth in the near future.

The Indian Maritime University (IMU), a Central University, established by an Act of Parliament in 2008, is focused on imparting education in aspects related to Maritime Sector - Marine Engineering, Nautical Sciences, Naval Architecture, Ocean Engineering, Ship Building and Repair, Logistics Management, Port Management etc.

Our experience over the last few years indicates that a very large number of Indian students are unaware of the potential growth and job opportunities in the Maritime Sector.

Pamphlets on education opportunities at the Indian Maritime University are placed in Annexures I & II.

Indian Maritime University has reserved seats in its programmes for candidates from North Eastern States, Jammu Kashmir & Ladakh, A&N Islands & Lakshadweep Islands, which can be viewed in Annexure I.

May, I request you to kindly share the information along with annexure with the schools / colleges / institutes under your jurisdiction, and encourage the students to participate in the '**Growth Story of India**'?

Thanking you,

With regards,

Vice Chancellor
