Subject: Awareness of the new courses by Rashtriya Raksha University at the official social media platforms of Arunachal Pradesh.

Hon'ble Sir,

Rashtriya Raksha University (RRU) is a pioneering national security and police University established by the Ministry of Home Affairs, Government of India. The university aims to provide security and strategic education in contemporary, futuristic security and strategic studies in interdisciplinary areas. RRU has operationalized its campus at Pasighat, Arunachal Pradesh.

Since the establishment of the campus at Pasighat a number of responses have been received by the students and youth aspiring to join the security forces and increase their knowledge base through the programs offered by RRU. The Pasighat Campus has introduced new programs related to internal security and policing for the academic year 2023-24, and the admissions for the same have commenced.

Aspirants who wish to join policing and armed forces are required to have a certain knowledge of these courses to perform their duties effectively. These courses have been designed to provide the aspirers with the necessary skills and knowledge to excel in the field of internal security and policing. Some essential topics such as counter-terrorism, intelligence analysis, crime investigation, cyber security, national security policy, defence and strategic studies, and international relations are covered in these courses. Additionally, the students would be receiving practical training and exposure to the latest technologies and tools used in the field.

The programs introduced at the campus includes the following:(Brochure attached)

1. Diploma in Police Science (DIPS),
2. Diploma in Fitness Management (DIEM),
3. Post Graduate Diploma in Police Science & Management (PGDIPSM),

- 5. Post Graduate Diploma in Industrial Safety and Security (PGDIISS),

In view of the above, may I kindly request your support in creating mass awareness about the newly launched program to the youth and aspirants of the state through a video message which could be shared on the state's official social media platforms.
